NOTICE TO COMPETITORS

NEW COURSE ADDED

Course #3

Start → F → A → Finish

Course length: 7.5 Nm

Reminder:

- Enter the harbor by the South entrance, leaving the detached breakwater to port. Drop spinnakers so that the head is below the lowest spreader before crossing the extension of the seaward side of the southern section of the detached breakwater. Leave to starboard the end of the south jetty, including any adjacent red "shoal" buoys.
- Sail down the channel staying in the sail only portion (between the "NO SAIL" buoys). The line between these buoys on each side is considered a "continuous obstruction".
- In the main channel, round the first center channel marker near and in front of the USCG station, leaving it to port. Leave to port all center channel markers, speed markers and yellow marker "A". The line between these buoys is considered a "continuous obstruction". The yellow marker "B" is not a mark of the course and can be ignored.
- Proceed to the finish line off Del Rey Yacht Club Main Dock.
