The winning team may keep playing until they lose or retire. This is the second of a three night series. The Sam Adams Perpetual Trophy will be awarded on October 25th. Non-alcoholic flip cup games will also be held though out the evening but do not count toward the perpetual. You may petition the judge for rule changes. All decisions of Pat, our foredeck and official judge, are final!

Gold Fish Races. Three official betting races for 18 years and older. Bet one ticket (2.50) on the winning fish and get four tickets worth of shirts, hats and other merchandise. Second place finishers play for free. All decisions of Tim, our trimmer and official judge, are final! Sponsored by Gosling's Black Seal Rum.
