## RACE FOR HOMELESS PETS

The **Race for Homeless Pets** is a fundraiser for People for Animal Welfare in El Dorado County (PAWED). PAWED is an all volunteer, nonprofit organization dedicated to saving and improving the lives of companion animals in El Dorado County, California. All proceeds from the fundraiser will go to support the PAWED mobile spay/neuter and disaster response clinic.

Team “Desert Dawgs” will participate in the race. This team is a group of PAWED members and supporters who want to have fun racing, but at the same time bring awareness to the plight of the millions of homeless pets that enter animal shelters across the nation. The race is in August, 2008 and is a 700 mile off road race across the desert between Las Vegas and Reno, Nevada. This race is the longest and most grueling or “growling” off road race in the USA!

Be a sponsor of this exciting and worthwhile race by getting your friends, family and acquaintances to pledge funds for the race! All sponsors and donors will be recognized after the race in the PAWED newsletter and those sponsors raising \$500 or more will be recognized on a special “Race for Homeless Pets” plaque that will be mounted inside the PAWED mobile clinic. Use the attached PAWED Pledge Form to record your pledges.

And don't forget—check the PAWED website at [www.pawedpets.org](http://www.pawedpets.org) periodically and click on “Race for Homeless Pets” to find out the latest information about the activities of Team Desert Dawgs in preparation for the Big Race!
